Attention: Mr. Chris Williams

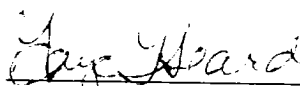

Dear Chris,

I respectfully request on behalf of C. W. Trainer, a plugging program for Mr. Trainer's brine production well located on Federal Sodium Lease No. M40-044355-0, Section 25, Township 19 South, Range 34 East, Marathon Road Water Station. This well was a re-entry of the Cabot Corporation Federal #1, plugged and abandoned March 23, 1961.

This plugging program is necessary for Mr. Trainer's effort to obtain termination of Discharge Plan #BW-015.

Your help is most appreciated, but feel free to call me should you require more information if I have not already sufficiently done so.

Yours truly,

Gaye Heard-Agent for C. W. Trainer
