17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well has ceased producing, evidently because of growth of crystals in the well bore, which will not allow the oil to enter. We are presently formulating plans to clean out this well and return it to production. We expect to get this work done in the next six months and respectfully request approval for temporary abandoned status.
