RE: FORM C-105

Gentlemen:

Pursuant to my conversation with your office yesterday, enclosed please find Grand Production Company's Form C-105 covering the Shipp #10-1.

Please note that this report was sent to you on May 28, 1991, however, after my conversation with your office, it was discovered that you do not have our form filed and approved in your records.

I would like for you to return to me an "Approved" stamped copy for my files as well as an "Approved" stamped copy of our Form C-105 covering the Midway #5-1, located in Section 5-17S-37E, Lea County, New Mexico. Our files do not indicate that we have received an approved copy back.

Sincerely,
