Temporarily Abandoned Status			

17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Sohio Petroleum Company respectfully requests a one year extension of the exception to Rule 201-B, which would allow the subject well to remain temporarily abandoned for this additional period of time. According to our records, the present exception expires December 1, 1975.

The well is in the proposed East Vacuum unitization area, and plugging it at this time may be detrimental to the project.

Expires 12/1/76
