OIL CONSERVATION COMMISSION,

By Roy Yurchough
Title Oil & Gas Inspector

The first part of the paper discusses the importance of the study of the history of the United States. It is argued that a knowledge of the past is essential for a full understanding of the present. The author then goes on to discuss the various factors which have shaped the development of the United States, including the influence of the British, the Spanish, and the French. The paper concludes by emphasizing the need for a more comprehensive and balanced view of the history of the United States.
