THE HISTORY OF THE UNITED STATES

CHAPTER I. THE DISCOVERY OF THE COUNTRY

The first discovery of the country was made by Christopher Columbus in 1492. He was an Italian who had been sailing for Spain. He was looking for a new way to get to the Indies. He found the Americas.

Columbus was the first European to see the Americas. He was a brave man. He was the first to discover a new world.

After Columbus, many other people came to the Americas. They were looking for gold and silver. They were looking for a new home.

The first people to live in the Americas were the Indians. They were very smart. They knew how to grow food. They knew how to make tools.

The Indians were the first to live in the Americas. They were very smart. They knew how to grow food. They knew how to make tools.

The Indians were the first to live in the Americas. They were very smart. They knew how to grow food. They knew how to make tools.
