

# NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

## MISCELLANEOUS REPORTS ON WELL

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

# THEORY OF THE EARTH

## CHAPTER I. OF THE ORIGIN OF THE EARTH.

The first question which presents itself to the mind is, what was the origin of the earth? and the answer is, that it was created by the power of God, out of nothing, at the beginning of time. The earth was created in a state of confusion, and was afterwards divided into four parts, or continents, by the power of God.

The second question which presents itself to the mind is, what was the state of the earth at the beginning of time? and the answer is, that it was in a state of confusion, and was afterwards divided into four parts, or continents, by the power of God.

The third question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The fourth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The fifth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The sixth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The seventh question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The eighth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The ninth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The tenth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The eleventh question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The twelfth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The thirteenth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The fourteenth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The fifteenth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The sixteenth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The seventeenth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The eighteenth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The nineteenth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The twentieth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The twenty-first question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The twenty-second question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The twenty-third question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The twenty-fourth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The twenty-fifth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The twenty-sixth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The twenty-seventh question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The twenty-eighth question which presents itself to the mind is, what was the state of the earth at the beginning of time?

The twenty-ninth question which presents itself to the mind is, what was the state of the earth at the beginning of time?
