

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELL

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

NEW MEXICO GOV. OBSERVATION COMMISSION

Office of the New Mexico

January 11, 1964

I have read the report of the New Mexico State Auditor, Mr. J. B. ... and find it to be a thorough and accurate statement of the financial condition of the State of New Mexico for the year ending December 31, 1963. The report is well organized and easy to read, and it contains a great deal of useful information. I am sure that the Commission will find it to be a valuable aid in its work.
