Gentlemen:

State 6-34-5
Lease #B-1845

On March 7, 1961, Standard filed C-128 and C-101 for the State 6-34-5 located 910' FSL and 660' FWL, Section 34, T-17S, R-35E, Lea County, New Mexico. We received approval to drill at this location.

Geological considerations now indicate the advisability of moving this location to the South or to 330' FSL and 660' FWL, Section 34, T-17S, R-35E, Lea County, New Mexico. This has been done and we are herewith filing C-128 and C-101 forms for the location we now propose to drill.

Very truly yours,

Original Signed
