RE : State G-36 Number 1, L-36-17S-35E, API 30-025-03036

Gentlemen:

The above referenced well site was checked in attempt to release the location. The following items must be corrected to bring this location in compliance with Rule 202.

1. The location has two production tanks, tubing, flow lines, boards and pipe fencing. The location and battery pad needs to be leveled.
2. Well was plugged May 25, 2000

You are hereby directed to bring this location in compliance prior to May 25, 2001. Rule 202 B. paragraph 3 states that the location will be restored as soon as practical but no later than one year after the completion of plugging operations. If you have any questions feel free to call me at 505-393-6161 Ext. 106.

Sincerely,

Johnny Robinson
Deputy Oil & Gas Inspector
