Request for extension of Temporary Abandonment

17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well reached the economic limit in this waterflood and was temporarily abandoned 12-2-72.

We wish to hold this well for a possible tertiary recovery project planned three to four years in the future. We are currently conducting a tertiary recovery pilot project in the Benton Unit, Illinois, a field similar to the East Pearl Queen and are waiting on the results of that project.

Expires 10-1-76

18. I hereby certify that the information above is true and complete to the best of my knowledge.
