Gentlemen:

Please find attached three copies of Form C-103 covering testing of 5½" casing, perforating and sandfracing Signal #1 State in Pearl Queen field of Lea County. This report supplements Form C-103 sent you on October 2.

Forms C-104 and C-105 will probably be submitted within the next two weeks, as soon as the frac oil has been recovered.

Very truly yours,

SIGNAL OIL AND GAS COMPANY
