17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Since the well will not pass the mechanical integrity test, we would like to temporary abandon the well until such time as the Lavahoe refinery decides to operate or not. This will allow us to better decide what repairs to implement on the well since #2 is able to handle the current water being disposed of.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
