NEW MEXICO OIL CONSERVATION COMMISSION Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELL

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning other important operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.
