OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico.

Gentlemen:

Following is a notice of intention to do certain work as described below at the Trebol Oil Company & E. G. Rodman State "B" Well No. 1 in SW/4 SW/4 of Sec. 4, T. 17-S, R. 36-E, N. M. P. M., West Lovington Field, Lea County.

FULL DETAILS OF PROPOSED PLAN OF WORK

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

The above well was completed at a total depth of 5100' during November, 1944. We propose to deepen to a depth of 5200', acidize with 5000 gallons and recompleat. This deepening will not open a new source of supply in the West Lovington Field but will merely penetrate formations producing in offset wells.
