

NEW MEXICO OIL CONSERVATION COMMISSION

SANTA FE, NEW MEXICO

MISCELLANEOUS NOTICES

JAN 16 1951

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

Date

OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico.

Gentlemen:

Following is a notice of intention to do certain work as described below at the Trebol Oil Company & E. G. Rodman State B Well No. 3 in SE 1/4 SW 1/4 of Sec. 5, T. 17-S, R. 36E, N. M. P. M., West Lovington Field. County.

FULL DETAILS OF PROPOSED PLAN OF WORK

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

The above well was completed March 5, 1945, by L. H. Wentz, and purchased by Trebol Oil Company & E. G. Rodman in July, 1950. The well was drilled to a total depth of 5077 feet with casing cemented at the top of the West Lovington Pay at 4723 feet.

We propose to deepen the well approximately 75 feet with cable tools in order to have penetration and depth equal to the offset wells.

This deepening will not open another source of supply, but will merely penetrate additional pay already open in other wells in the West Lovington Field
