OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico.

Gentlemen:

Following is a notice of intention to do certain work as described below at the Trebol Oil Company
& E. G. Rodman State "B" Well No. 4 in NE/4 SW/4
Company or Operator 17-S Lease 36-E West Lovington
of Sec. 5, T. 17-S, R. 36-E, N. M. P. M., Lea County. Field.

FULL DETAILS OF PROPOSED PLAN OF WORK

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

The above well was completed in June, 1945 by L. H. Wentz and purchased by the Trebol Oil Company & E. G. Rodman in July, 1950. The well was completed in the West Lovington pay at a total depth of 5080' with 5½" casing cemented at 4740'.

We propose to deepen this well approximately 50' and acidize in order to increase production.

This deepening will not open another source of supply but will merely penetrate the regular pay to a depth equivalent to other wells in the field.
