Gentlemen:

Another inspection of the location for your State "G" No. 1 in Unit B of Section 26, T-17-S, R-36-E has been made and it was found that the water well has caved in.

When this has been repaired, please advise us so that we may approve your Report of Final Plugging.

Yours very truly,

OIL CONSERVATION COMMISSION

HOBBS NEW MEXICO

January 1934

Dear Sir:

Very truly yours,

Enclosed for you are the reports of the members of the Commission for the year 1933. The reports are in the form of a book and are bound in cloth. They contain a full and complete report of the work of the Commission during the year 1933 and also a full and complete report of the work of the Commission during the year 1932.

I am sure that you will find these reports very interesting and valuable. They contain a great deal of information which is of great value to the oil industry and to the public.

Sincerely yours,

W. H. HARRIS, Chairman
