Gentlemen:

Mr. Eric Engbrecht, Oil & Gas Inspector for the Commission, has made an inspection of the location for your plugged and abandoned State "G" Well No. 1 in Unit B of Section 26, T-17-S, R-36-E and has found that the pits have not been levelled, the rat hole has not been filled and the water well is not plugged.

Please advise this office when these things have been done so that a final inspection may be made and your Report of Final Plugging approved without further delay.

Yours very truly,

OIL CONSERVATION COMMISSION
