Gentlemen:

On July 11, 1977, this office approved your Notice of Intent to Re-enter the Standard State Well No. 1 located in Unit D of Section 30, T-17-S, R-36-E, Lea County, New Mexico. Since we had received no reports covering re-entry operations by February 8, 1978, we notified you that your approval to re-enter the well had expired, and that further approval would be required prior to initiating or continuing operations.

It has come to our attention that the well was in fact re-entered and subsequently abandoned, although no reports were made to this office. Therefore, please immediately submit Form C-103 covering all work done on the well and indicating present status.

Yours very truly,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District 1
