

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELL

HOBBS OFFICE

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

Title

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the specific procedures for recording transactions. It details the steps involved in the accounting cycle, from identifying the transaction to posting it to the appropriate ledger account.

3. The third part of the document discusses the role of internal controls in ensuring the accuracy of financial records. It describes various control measures, such as segregation of duties and independent verification, that help to minimize the risk of errors and fraud.

4. The fourth part of the document addresses the importance of regular audits in the financial reporting process. It explains how audits provide an independent assessment of the reliability of the financial statements and help to identify areas for improvement.

5. The fifth part of the document discusses the impact of technology on financial record-keeping. It highlights the benefits of using accounting software and electronic data interchange (EDI) to streamline the recording process and reduce the risk of manual errors.

6. The sixth part of the document concludes by emphasizing the overall importance of financial record-keeping for the success of any organization. It states that accurate records are the foundation for sound financial management and decision-making.

7. The seventh part of the document provides a summary of the key points discussed in the previous sections. It reiterates the importance of accurate record-keeping, proper procedures, internal controls, audits, and the use of technology.

8. The eighth part of the document discusses the challenges faced by organizations in maintaining accurate financial records. It identifies common issues, such as incomplete data and lack of training, and offers suggestions for overcoming these challenges.

9. The ninth part of the document provides a list of references for further reading on the topics discussed in the document. It includes books, articles, and online resources that provide additional information on financial record-keeping.

10. The tenth part of the document discusses the future of financial record-keeping. It explores emerging trends, such as the use of blockchain technology and artificial intelligence, and discusses the potential impact of these technologies on the financial reporting process.

11. The eleventh part of the document provides a conclusion to the document. It summarizes the main findings and offers final thoughts on the importance of financial record-keeping for the success of any organization.

12. The twelfth part of the document provides a list of appendices. These appendices contain additional information, such as sample forms and checklists, that can be used by organizations to implement the principles discussed in the document.

13. The thirteenth part of the document discusses the importance of ongoing education and training for financial record-keepers. It emphasizes that staying up-to-date on the latest accounting practices and technologies is essential for ensuring the accuracy of financial records.

14. The fourteenth part of the document provides a list of resources for further information. It includes contact information for professional organizations, government agencies, and other sources that provide information on financial record-keeping.

15. The fifteenth part of the document provides a list of glossary terms. These terms are used throughout the document and are defined in this section to ensure that all readers have a clear understanding of the terminology.

16. The sixteenth part of the document provides a list of index terms. These terms are used to organize the document and make it easier for readers to find the information they need.

17. The seventeenth part of the document provides a list of acknowledgments. These acknowledgments recognize the contributions of the individuals and organizations that helped to develop the document.

18. The eighteenth part of the document provides a list of references. These references are the sources of the information used in the document and are listed in this section for the reader's reference.

19. The nineteenth part of the document provides a list of appendices. These appendices contain additional information, such as sample forms and checklists, that can be used by organizations to implement the principles discussed in the document.

20. The twentieth part of the document provides a list of index terms. These terms are used to organize the document and make it easier for readers to find the information they need.

21. The twenty-first part of the document provides a list of acknowledgments. These acknowledgments recognize the contributions of the individuals and organizations that helped to develop the document.
