7. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work; SEE RULE 1103.

Temporarily Abandon status is requested for one year in order to evaluate the effect of perforating and stimulating an additional one hundred feet, OA, above existing perforations in the Abo and trying different type of artificial lift equipment. The well is currently uneconomical to produce due to high water volume and low oil volume. The one-year time limit is requested in view of rig and material shortages.
