Gentlemen:

Pursuant to our recent conversation and my letter of May 17, 1968, this is to advise that the plugging program for your R. K. Cone No. 1 located in Unit M of Section 7, T-17-S, R-39-E will be accepted by this office.

This particular plugging program is not satisfactory for the area, but in this instance we will accept it. In the future, should pipe recoveries or other things affect or create a difference between your Notice of Intent to Plug and what you actually do, this office should be contacted prior to proceeding with your plugging operations.

Yours very truly,

OIL CONSERVATION COMMISSION
