

The diagram shows a 4x4 grid of squares. A vertical line runs through the center, dividing the grid into two equal halves. A horizontal line runs through the center, also dividing the grid into two equal halves. The four quadrants are labeled: 'N' (North) in the top-left, 'S' (South) in the top-right, 'E' (East) in the bottom-left, and 'W' (West) in the bottom-right. The grid is composed of 16 cells, with the central cell being the intersection of the vertical and horizontal lines.
