MISCELLANEOUS REPORTS ON WORK

The following report of the Commission on the Administration of Justice, dated January 1, 1910, is herewith submitted for your information. It contains a summary of the work of the Commission during the year 1909, and a statement of the progress of the Commission's work during the year 1910.

The Commission on the Administration of Justice was organized on January 1, 1909, and has since that time been engaged in a study of the various problems connected with the administration of the courts of this State.

The Commission has held numerous public hearings, and has received many suggestions from the public, the judges, and the lawyers, as to the various reforms which should be made in the administration of the courts.

The Commission has also conducted extensive research into the various problems connected with the administration of the courts, and has prepared a number of reports on these subjects.

The Commission's work during the year 1909 was devoted to a study of the various problems connected with the administration of the courts, and to the preparation of a report on these subjects.

The Commission's work during the year 1910 has been devoted to a study of the various problems connected with the administration of the courts, and to the preparation of a report on these subjects.
