**Subject:** McCallister State #7

FYI,

Attached is the proposed procedure to workover the McCallister #7 in Vacuum. The plan is to abandon the Penn, Wolfcamp, and Abo and recomplete to the Blinebry. I will start the AFE circulating shortly. It usually takes a couple of weeks to get final approval. (assuming it gets approved!) If you have any comments or questions please contact me.

Thanks,  
Randall Edgeman
