Santa Fe, New Mexico

Re: Application for Dual
Tubingless Completion,
State of New Mexico "O"
(NCT-1) Well No. 19,
Lea County, New Mexico.

Attention: Mr. A. L. Porter, Jr.

Gentlemen:

Attached is TEXACO's application for dual tubingless completion for the State of New Mexico "O" (NCT-1) Well No. 19, located 1980 feet from the north line and 2180 feet from the west line, Section 36, T-17-S, R-34-E, Lea County, New Mexico. TEXACO plans to complete this well as a dual tubingless oil completion in the Vacuum (Glinebry & Glorieta) Pools. It is anticipated that all zones will be oil completions and will flow initially. Approval has been granted previously by the New Mexico Oil Conservation Commission for these zones in TEXACO Inc. State of New Mexico "O" (NCT-1) Well No. 13.

Also attached is a copy of the plat showing the area immediately surrounding TEXACO's State of New Mexico "O" (NCT-1) Lease and a diagrammatic sketch of the proposed dual tubingless completion. It is respectfully requested that TEXACO Inc. be granted administrative approval for this application as provided for under Rule 112-A.

Yours very truly,

J. C. Mervin, Jr.

Assistant District Superintendent
