Continental Oil Company
Box 460
Hobbs, New Mexico

Gentlemen:

After reviewing the schematic diagram of the wellbore of your State H-35 Well No. 9, it appears the well is cased and cemented in such a manner as to contain water injected into the San Andres pay zones.

It will therefore not be necessary to do additional work on the well as required by Order No. R-5530.

Yours very truly,

JOE D. RAMEY
Director

JDR/fd
