Gentlemen:

Our field personnel were advised that the Staplin State A/c 1 Wells 3 and 4, both in Section 30, Township 17 South, Range 35 East, located in the Vacuum area, are no longer operated by Marathon.

According to our records, Marathon is still the operator of these wells.

In order that we may request a Change of Operator (C-104) from the new operator, please notify us, either by letter or by calling Bonnie Prichard at (505) 393-6161, of the company now operating these wells.

Very truly yours
