

Page 2

wells on offset leases, and a log of the subject well with tops and bottoms of producing zones and intervals of proposed perforation indicated thereon.

The subject well will be completed and thereafter produced in accordance with the provisions of Rule 112-A.

The names and addresses of all interested parties known to Marathon are set forth in the attached list and a copy of this application is being mailed this date to each of such parties. Along with this application, a request for waivers has also been mailed to all interested parties asking that these waivers be forwarded to the New Mexico Oil Conservation Commission in Santa Fe, New Mexico.

Respectfully,

MARATHON OIL COMPANY
