SUBJECT: Repair of State 5-27 #6
E-27-17-35 (Vacuum Area)

Gentlemen:

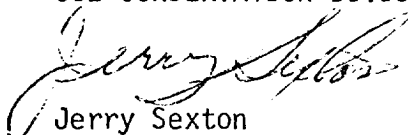

At your request the Oil Conservation Division retested the above well July 28, 1981, and found no oil flow from the surface casing at that time. Therefore, you are hereby exempted from the repair work requested in my letter dated June 22, 1981.

We will test this well again next year and if problems are found at that time you will be required to make necessary repairs.

Thank you for your cooperation in this matter.

Very truly yours,

OIL CONSERVATION DIVISION
