Re: Application for Triple Tubingless
Completion State of New Mexico "N"
Well No. 8, Lea County, New Mexico.

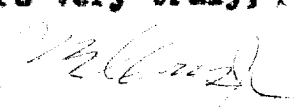

Attention: Mr. A. L. Porter, Jr.

Gentlemen:

Attached is TEXACO's application for triple tubingless completion for the State of New Mexico "N" Well No. 8, located 550 feet from the north line and 500 feet from the west line, Unit D, Section 30, T-17S, R-35E, Lea County, New Mexico. TEXACO plans to complete this well in the Vacuum (North Abo, Wolfcamp and Pennsylvanian) Pools. It is anticipated that all zones will flow initially. Approval has been granted previously by the New Mexico Oil Conservation Commission for these zones in the State of New Mexico "N" Well No. 6.

Also attached is a copy of the plat showing the area immediately surrounding TEXACO's State of New Mexico "N" Lease and a diagrammatic sketch of the proposed triple tubingless completion. It is respectfully requested that TEXACO Inc. be granted Administrative approval for this application as provided for under Rule 112-A.

Yours very truly, .

J. G. Blevins, Jr.
