Dear Mr. Wood:

Re: Len Mayer (Monsanto) #1
WAG State, 3-19-34

I am in receipt of your letter of May 24th, regarding your request for deviation surveys on the captioned well.

I have contacted Carper Drilling Company, the contractor on this well. Carper has since sold all their rigs and production and Cities Service has picked up all their records. I enclose a copy of my letter from Mr. Carper regarding the fact that he does not hold any of his previous records but that Cities Service might have them. I do not know any of the personnel at Hobbs or Midland and thought perhaps through your production department you could contact Cities Service and see if they hold the old Carper records regarding deviation surveys on this well.

Please advise me if I can be of further help.

Yours very truly,

Len Mayer

Dear Len:

I have checked our files for a copy of the drilling reports which would have reflected the deviation survey records to no avail. I am not sure where the drilling report would be found in Cities Service office, but I assume it would be either in Hobbs or Midland.

I regret we are unable to provide this information for you and suggest you check with Cities Service.

Very truly yours,
