RE: Cavalcade 21 Federal Well No. 3

Dear Sir:

In response to your January 6, 1986 letter (copy attached), we submit the following per your request:

1. The correct location of this well is 1980' from the South line and 660' from the East line, Unit L.
2. Cavalcade, according to the filed notice, has re-entered the well, but has not completed the well or put it in production. We ask that the submitted notice be extended for an additional 90 days so that Celtic can complete the work.
3. Request for allowable and Form C-104 will be submitted upon completion of the work.

Please call or write should any additional questions arise.

Yours truly,

CELTIC OIL CORPORATION
