B. F. Brawley
District Engineer 10-31-66

RECEIVED
JAN 10 1968

1. The first of these is the fact that the United States has a large and growing population of people who are not citizens of the United States. This is a result of the large number of people who have immigrated to the United States in recent years, and the fact that many of these people are not naturalized citizens.
