Mr. Bill Durham
Phillips Petroleum Company
4001 Penbrook
Odessa, Texas 79762

SUBJECT: Division Order R-5897

Gentlemen:

After examining the additional information submitted, it has been determined that the following well appears to have the Grayburg-San Andres zone properly cemented off therefore making remedial work unnecessary.

Mobil Oil Corp. North Vacuum Unit Well #207-H in Section 24-T17S-R34E
Temperature survey shows top of cement above GB

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
