OIL CONSERVATION COMMISSION

APPROVED BY Leslie A. Clements

This form is to be filed in compliance with RULE 1104.
If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviation tests taken at the well in accordance with RULE 110.
All sections of this form must be filled out completely for allowable on new and recompleted wells.
Fill out sections I, II, III, and VI only for changes of owner, well name, number, or transporter or other such change of condition.
Separate forms C-104 must be filed for each pool in multiply completed wells.
