17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Our last status report on Form C-103 stated that our future plans for the well were to restore it to production when sufficient power oil was available. This is to advise that the well is back on production. Form C-116 was filed under separate cover with a special test of the production.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
