Re: Mattie Price #6-G  
Section 6, T17S, R38E

Gentlemen:

Your recently submitted gas/oil ratio form submitted on wells in your Mattie Price lease indicates the #6 well is an injection well. Our well record file does not indicate that you have filed the proper forms (C-103) indicating the conversion of this well to injection as authorized by Division order R-8301.

Please file Form C-103 covering the conversion work, packer and tubing setting depth and pressure testing of the annulus prior to commencing injection.

Very truly yours,

OIL CONSERVATION DIVISION
