RE: CASE NO. 8954, ORDER NO. R-8301

Dear Mr. Ramey:

In accordance with our conversation in Hobbs and your letter of September 12, Osborn Heirs Company may delay running the cement bond log called for under the terms of Order No. R-8301. This authority shall persist so long as the well remains injecting on a vacuum, or until the well is pulled or the log is requested by the OCD-Hobbs district supervisor.

Sincerely,

R. L. STAMETS
Director
