Gentlemen:

We are returning Forms C-101 and C-102 for your Santa Fe No. 120, which you state will be a replacement well for the Santa Fe No. 2. If Well No. 2 is to be plugged, then this well should be No. 2-Y; if No. 2 is only going to be shut in or temporarily abandoned, the No. 120 will be alright.

Please indicate on this form your plans for Well No. 2, and at the proper time, it will also be necessary to submit the required forms for that well.

Yours very truly,

OIL CONSERVATION COMMISSION
