RE: Inactive Wells

Gentlemen:

After reviewing the inactive well list attached, Oil Conservation  
paperwork to bring the well files in to current status more

West Vacuum Unit #126-L, 34-17s-34e  
with the original chart attached for

Hobbs N State #1-D, 8-18s-35e  
and well file. Texaco should be repo.  
Please check and see if this is being done

New Mexico Z State NCT-1 #1-C, 2-1  
system and the well file. Texaco should  
96121). Please check and see if this is being done

Vacuum Glorieta West Unit #25-H, 25-1  
system and the well file. But Texaco is still  
Please drop this well from C-115 report.
