Dear Mr. Sweeney:

In reference to the subject filing dated August 14, 1989, since there are no provisions in General Rule 104.F.I. for administrative approval for the deepening of an existing well at an unorthodox location, I have taken the liberty to set this matter on the next available hearing docket for September 20, 1989.

If you should have any questions concerning this matter, please contact me.

Sincerely,
