RE : State BL Number 1, P-11-17S-35E, API 30-025-25416

Gentlemen:

The above referenced well site was checked in attempt to release the location. The following items must be corrected to bring this location in compliance with Rule 202.

1. The location has two production tanks, a separator, flow lines and oil field related junk left on location.
2. Well was plugged May 23, 2000

You are hereby directed to bring this location in compliance prior to May 23, 2001. Rule 202 B. paragraph 3 states that the location will be restored as soon as practical but no later than one year after the completion of plugging operations. If you have any questions feel free to call me at 505-393-6161 Ext. 106.

Sincerely,
