On August 14, ¹⁹⁹⁶~~1997~~, F&M received approval to convert the above referenced well to WIW. We hereby request a one year extension to proceed with the conversion as set out in the original application. Shortage of available crews and equipment in the past several months has made it increasingly difficult to perform all the work necessary in the South East New Mexico area.

We expect to be able to move on this work as soon as possible.
