Dear Sir:

Laguna Deep Unit Federal Well No. 2
990' FSL & 1980' FWL of Section 26
T-19-S, R-33-E, Lea County, New Mexico

In accordance with R111-A, as amended, we are hereby putting your company on notice that Union Oil Company of California has made application to drill an approximate 13,700' Morrow test to be located in Section 26, T-19-S, R-33-E, Lea County, New Mexico.

We have been advised that your company is the owner of record of certain Potash leases that are within one mile of our proposed location. We respectfully request that you waive any objections which you might have to our proposed test and ask that you so indicate by signing and returning one copy of this letter to this office within the allotted ten day period. We have attached a copy of our formal application for your review.

Your favorable consideration of this request would be appreciated.

Yours very truly,

Union Oil Company of California
