(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

We ran 225' of 13 3/8", 61#, J-55 casing in a 15 1/2" hole on 1-12-81. We cemented it on 1-13-81 with 500 sxs of Class "C" with 2% Ca Cl and the cement came within 15' of the top of the hole. On 1-14-81 we mixed a 10 sack slurry and brought the cement into the cellar.

18. I hereby certify that the foregoing is true and correct
