RE: Falcon Federal #1  
NM-077004  
Section 19: T-19-S, R-33-E  
Lea County, New Mexico

Dear Sirs,

Because I am lacking information in the Falcon Federal #1 well file, I have filled out the completion report as best I can.

The well has been temporarily abandoned or operations have been suspended until further notice.

A valve and well sign have been placed on location as requested by Ralph Navarete, Minerals Management in Hobbs, New Mexico.

If you have any questions please call me.

Sincerely,  
Collier Energy, Inc.
