Re: Pending Pipeline Disconnection - Lea County, NM

Amoco Pipeline Company intends to disconnect its pipeline gathering system from the following lease:

<u>Lease Name</u>	<u>Operator</u>	<u>Volume (b/d)</u>	<u>Lease Type</u>	<u>Agency Lease No.</u>	<u>APL Lease No.</u>
Young Deep 3 Fed #1	Harvey E. Yates	10	Oil	2797710	84557

The lease will be disconnected from Amoco Pipeline's Maljamar Gathering System on February 1, 2000. Per my discussion with Steve Yates on December 16th, the operator has been notified of the disconnect. Diamond Shamrock, as the current purchaser, has also been notified. If you have any questions, please let me know.

Sincerely,
