Re: Filing of radio-activity and electrical logs

Gentlemen:

Rule 1108 of the Commission Rules and Regulations requires that Form C-105 be accompanied by one copy of all electrical and radio-activity logs run on a well. Reduced scale logs are desirable.

As of this date we have not received this information on the following wells:

Davoli State                      No. 1-I                      8-17-37

Yours very truly,

OIL CONSERVATION COMMISSION
